DETAILED ACTION

Terminal Disclaimer

The disclaimer fee in accordance with 37 CFR 1.20(d) has not been submitted, nor is there any authorization in the application file to charge a specified Deposit Account or credit card.

Since the amendment filed on 4/11/2005 does not contain any amendment to the claims the Double Patenting rejections and Allowable Subject Matter of the previous Office Action are repeated below.

Double Patenting

The nonstatutory double patenting rejection is based on a judicially created doctrine grounded in public policy (a policy reflected in the statute) so as to prevent the unjustified or improper timewise extension of the "right to exclude" granted by a patent and to prevent possible harassment by multiple assignees. See *In re Goodman*, 11 F.3d 1046, 29 USPQ2d 2010 (Fed. Cir. 1993); *In re Longi*, 759 F.2d 887, 225 USPQ 645 (Fed. Cir. 1985); *In re Van Ornum*, 686 F.2d 937, 214 USPQ 761 (CCPA 1982); *In re Vogel*, 422 F.2d 438, 164 USPQ 619 (CCPA 1970);and, *In re Thorington*, 418 F.2d 528, 163 USPQ 644 (CCPA 1969).

A timely filed terminal disclaimer in compliance with 37 CFR 1.321(c) may be used to overcome an actual or provisional rejection based on a nonstatutory double patenting ground provided the conflicting application or patent is shown to be commonly owned with this application. See 37 CFR 1.130(b).

Effective January 1, 1994, a registered attorney or agent of record may sign a terminal disclaimer. A terminal disclaimer signed by the assignee must fully comply with 37 CFR 3.73(b).

Claims 4-6 and 13 are rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claim 1 of U.S. Patent No. 6,712,541. Although the conflicting claims are not identical, they are not patentably distinct from each other. Refer to the previous Office Action for a detailed explanation.

Claim 7 is rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claim 2 of U.S. Patent No. 6,712,541. Although the conflicting claims are not identical, they are not patentably distinct from each other. Refer to the previous Office Action for a detailed explanation.

Application/Control Number: 10/811,783

Art Unit: 3679

Claims 8 and 10-11 are rejected under the judicially created doctrine of obviousness-type

double patenting as being unpatentable over claim 7 of U.S. Patent No. 6,712,541. Although the

conflicting claims are not identical, they are not patentably distinct from each other. Refer to the

previous Office Action for a detailed explanation.

Claims 9 and 12 are rejected under the judicially created doctrine of obviousness-type

double patenting as being unpatentable over claim 8 of U.S. Patent No. 6,712,541. Although the

conflicting claims are not identical, they are not patentably distinct from each other. Refer to the

previous Office Action for a detailed explanation.

Allowable Subject Matter

Claims 14-26 are allowed.

Response to Arguments

Applicant's arguments with regard to the claim rejections have been fully considered but

they are not persuasive.

The applicant argues that the terminal disclaimer filed on 4/11/2005 put the application in

condition for allowance. This is not persuasive since the terminal disclaimer has been

disapproved (see above).

Conclusion

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time

policy as set forth in 37 CFR 1.136(a).

Application/Control Number: 10/811,783

Art Unit: 3679

A shortened statutory period for reply to this final action is set to expire THREE

MONTHS from the mailing date of this action. In the event a first reply is filed within TWO

MONTHS of the mailing date of this final action and the advisory action is not mailed until after

the end of the THREE-MONTH shortened statutory period, then the shortened statutory period

will expire on the date the advisory action is mailed, and any extension fee pursuant to 37

CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event,

however, will the statutory period for reply expire later than SIX MONTHS from the mailing

date of this final action.

Any inquiry concerning this communication or earlier communications from the

examiner should be directed to Victor MacArthur whose telephone number is (571) 272-7085.

The examiner can normally be reached on 8:30am - 5:00pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's

supervisor, Daniel P. Stodola can be reached on (571) 272-7087. The fax phone numbers for the

organization where this application or proceeding is assigned are (703) 872-9306.

Any inquiry of a general nature or relating to the status of this application or proceeding

should be directed to the receptionist whose telephone number is (703) 308-1113.
